SPONSORS:

PRESENTERS / INSTRUCTORS
Parsons Asset Management Center

The U.S. Environmental Protection Agency, in collaboration with the Arizona Water and Pollution Control Association, the City of Phoenix Water Services Department, and the Frank M. Tejeda Center is sponsoring a dynamic 2-day workshop analyzing the asset management challenges facing a growing number of utilities.

This two-day intense session will focus on best practice tools and techniques in asset management, which includes evaluation, deployment, utilization, prioritization, replace-versus-repair, along with other core asset management topics.

Rooms are available at the Phoenix Airport Hilton at a significantly reduced single and double room rate of \$139 per night. Hotel reservations should be made directly through the Phoenix Airport Hilton by 1/28/04. The rooms are identified as "The Asset Management Workshop" and those seeking a room must call 480-894-1600 to make a reservation. See the map above for the location of the conference.

While it certainly is not necessary, we do encourage participants to bring their laptop computers to facilitate responding to the advanced asset management "Best Practices Self Assessment."

- ◆ PLEASE REGISTER AS EARLY AS POSSIBLE
- ◆ THERE IS A \$110 PER PERSON REGISTRATION CHARGE FOR THE WORKSHOP; REGISTRATION FEE INCLUDES LUNCH FOR THE TWO-DAY CONFERENCE
- ◆ PAYMENT IS TO BE MADE TO AWPCA; FOR PAYMENT INFORMATION CALL DEBBIE MUSE AT 888-559-8844
